A Yearbook is a treasure-trove of memories . . . memories of ourselves as callow freshmen, dropping our books in confusion before the awesome Seniors, memories of our joys, sorrows, victories, and defeats, all of which drew us together into lasting friendships. We have grown up together as a class and are now ready to part into the world of challenge and opportunity. We started off at the base of one mountain and have now reached the summit. Now we separate to start off at another base in hopes of reaching another summit. Wishing to provide a recording thread of memories through our years together, we the staff of CROSSROADS '68 give you your Yearbook.

A DAY IN
THE LIFE
OF . . .

Photo Essay on Niskayuna High School

Day dawns and we arrive by bus ... cycle ... Jeep ... Cadillac ... and on foot. Impatient students all ... impatient to get on with the business of learning.

Niskayuna High School Student Parking Lot

Bus late ... hurry to locker ... dash to homeroom ... "I PLEDGE ALLEGIANCE"

"Climb every mountain,
Search high and low,
Follow every byway,
Every path you
know . . . "

The day's work is well begun . . .

When you're in kindergarten high school seems a long way off . but the years roll on and—amid tears and laughter puzzles, toy trucks and crayons give way to perfume, football games and term papers. We all start at the bottom of the mountain and, with dedication and hard work, we'll all reach the top.

But it can be fun, too . . .

'Tu n'es pas mort d'ennu ?"

"The Roman Empire felin"

"Tenemos el tocadiscos descompuesto"

... even for me!

"No man is an island, no man stands alone." Joan Whitney and Alex Kramer

... And time is on ourside

Into skills of the business world .

THE IN-LOOK

AT NISKAYUNA

... into the democratic processes

... in study

... in work

. . . for in-sight

"A wise old owl lived in an oak
The more he saw the less
he spoke
The less he spoke the
more he heard:
Why can't we all be like
that bird?"

Respect for the written word? Certainly! But we are taught the courage to seek answers for ourselves as well . . . at Niskayuna

"A teacher is like the candle which lights others in consuming itself"

Ruffini

"What greater or better gift can we offer the republic than to teach and instruct our youth"

Cicero

... And the day hurries on

What will we remember of these years? Friends ... fleeting images ... laughter shared ... but most of all, the path pointed ... the direction ... the purpose!

"A dream that
will need
All the love
you can give
Every day of
your life
For as long as
you live"

Mothing was letter for me than thee " But wishes always Shown Hope

"Climb every mountain, Ford every stream, Follow every rainbow Till you find your dream"

THE DAY IS OVER . . .

BUT
TOMORROW
WE SHALL
RETURN!

But, before we go . . .

MR. DAVID LEGG

DEDICATION

Perhaps the most valuable asset from an education comes not from books, but from the inspiring teacher who develops in his pupil the ability to reason and to support his convictions logically and courageously. All teachers at Niskayuna High School concentrate on teaching their pupils to think, but one in particular makes it a special goal in teaching.

Through your ingenious teaching methods you have held our interest and made history challenging. Never shall we forget such games as "Supreme Court," "Constitutional Convention," and that all time great —"1870."

For your originality, patience, and devotion to effective teaching, we, the Class of 1968, dedicate CROSSROADS '68 to you, Mr. David Legg.

ADVISORS: Mrs. Schmidt and Mr. Collins

No class could have hoped for two more dedicated and sincere advisors than Mr. Collins and Mrs. Schmidt. They were always there to suggest, advise and counsel and they always had our best interests in mind

They helped us mold our freshman class into a functioning body that for four years was able not only to meet the normal demands of a class, but was able to surpass the normal and achieve such distinction as an all time high for a paper drive and a Junior Prom unequaled for originality and class support

It has been so easy for us to overlook the tremendous part that these two have played in making our four years here such a success for their ob has been a tiring and thankless one. But the patience, the hours of work that they have given so uncomplainingly, their belief in us that somehow never faltered these things have not passed unnoticed. And so, Mr. Collins and Mrs. Schmidt, we would like to take this opportunity to say, "Thank you."

CLASS OFFICERS. Left to right, Top row: Chip Gordon, Vice-President Ban O is President Mr. Col na. Advisor Bottom row. Clayton Bredlau, Treasurer, Mary Lou Wirene Science, Mrs. Science Advisor

CLASS COMMITTEE Top row: Roy Cooley, Nancy Nagamatsu, Steve Wah. Bottom row. Salv Prener Luc-Landon, Sally Smith, Lori Yought, Anne Enright, Billie Lewis Kris Bridge

After four years here at NHS, we, the class of '68, find our selves feeling and saying just about the same things that every other senior class says upon leaving Niskayuna

It's hard to say that we are taking from Niskayuna so much more knowledge than that which came from our books without sounding maudin. But it's true

We've watched the development of the class we've been so much a part of Like every other freshman class those four years seemed to stretch before us interminably

Way back in 1964 the school was half its present size, rooms were numbered with two-digits, the auditorium could hold the entire student body, we wrote on lapboards and had only one cafeter a to eat in

Remember how centrally localed the library used to be? How only Seniors were allowed on privileges. Remember swing periods and a course called World Geography? Remember Mr. Amlaw? Remember when we were sophomores and the first part of the new wing was opened; with barren concrete walls and floors and the noises of construction were a natural part of every class? And then as juniors the size of the school had doubled Overnite things such as resource centers, carrols, little theaters, and ettered wings came into being

One by one we got our licenses (girls first naturally) and paper drives became more lucrative (Our junior year holds the record high for a paper drive—our senior year holds the record low)

Our class pulled together for the Junior Prom and "Younger than Springtime" will long be remembered at Niskayuna. Hopes were high in anticipation of an unbelievable senior year. We had the makings of immortal athletic teams. But unforeseen transfers and injuries plagued us. And again the class had to unite to excel

And so here we are: Seniors saying good-bye. Like every other graduating class, all of our achievements, hardships and idiosyncrasies will gradually be forgotten by everyone else. But we won't forget; we who were the cells that made up the class of '68 we will remember.

JO ANN SCHMIEDER

Dear teachers and friends,

Before I tell about my happiest year at Niskayuna, let me express my sincere gratitude to those who made this wonderful experience possible for me. I shall never forget the efforts of the people behind this and will always be grateful to them

My first day in Niskayuna High will remain in my memory forever. I remember how scared and confused I was among new surroundings and among people whom I had never seen before. But the kids proved to be so friendly and loving that without them I wonder where I would have been. The great help and guidance I received from my teachers from time to time will be of great value to me not only today, but in future also. How can I ever forget the fun and joy at the Latin Club, the pleasure of listening to and giving speeches at the Model UN or the enjoyment in the Folk-singing Club! The Niskayouth and those paper drives are some of the memorable things indeed! I shall never forget my speech class or my favorite math or biology class. The trouble I had with my history or my English will never slip away from my memory. How wonderful it was to get those report cards which encouraged or many times even discouraged mel-I always had something new to learn, some new experience often waiting for me around the corner. I will never forget the opportunity I had to learn American history or even Latin

How time flies away! The whole year has rolled on and the hour has come when we must depart. No more shall I have my loving teachers to help me when I stumble and stop; no more shall the kids call out, "Hi Tinoo" as I walk along the halls. Chance had brought us together; fate is taking us away. The paths of our lives differ here on. I have no words to express my sadness at leaving my friends without even any assurance of meeting them again

Once again, I'd like to thank everyone from those who donated for the AFS to those whose little friendly "Hi" made life happier for me. Wish you all good luck and cheer in the future—'bye.'

IN MEMORIAM

KATHLEEN ANN HEVLE November 29, 1949—February 10, 1968.

Remember all the thousand little things that only she would do the phrases that were hers alone the smile she wore, the way she'd ride her endless daydreams... the way you knew her.

Love her:
love the memory and love the girl
who wove it
let her happiness live
beyond this time of mourning;
brave a smile for her
as she'd want you to.

Leave unlocked the portion of your mind that knew her; Leave awake the heart that loved her... that yet loves her.

Have the faith to know that she is happy when you think of her... smile for her.

FOREIGN EXCHANGE STUDENTS

Dear Friends at Niskayuna,

It's really been a great opportunity for me-being here and learning so much at the same time. I've enjoyed my stay with the Loews and ! would like to thank them for the hospitality they had for me this year I would also like to thank all the teachers I had, and Mr. Read for helping me so much. I'll never forget the wanderful times I've had here during the school year and how wonderful all of you were to

Very soon it will be time to say Good-bye, but dear Niskayuna, you will be a great memory forever. I hope one day I will come back to visit

Love

Head Coach Mr. Whisher Asst. Coach Mr. Colyer

The 1967 Niskayuna Track Team was a young but strong team, stronger than its 6-5 record might indicate. This predominantly underclass squad surprised not a few of its opponents with outstanding performances from many Nisky athletes. The most notable performances were achieved by sophomore Gary Connors, a consistent winner in the two-mile who went to the state meet for the second straight year; and junior Clayt Bredlau, a versatile performer in the dashes, pole vault, and 440 relay. Clayt, a 10 flat sprinter, was credited with the highest vault in the state last year with a leap of 13' 9'
